## WORK EXPERIENCE

### VISUALIZATION SPECIALIST @ LIFE TIME

*August 2018 - Present*

Responsible for creating digital renderings of spaces, buildings, and environments to convey design intent to the visualization team and senior leadership.

- Create presentation content to communicate the vision for projects of varying scope; from small scale interior designs to overall development/master plans.
- Partner with department leadership and project teams to create photo realistic interior and exterior imagery to be presented to company executives and/or for city approvals.
- Create 2D and 3D renderings for entitlement approvals for projects around the country.

### SENIOR 3D VISUALIZATION ARTIST @ WALKER IN-STORE

*April 2011 - August 2018*

Support the marketing team with 3D modeling concepts and assist in creative themes and designs for in-store point-of-purchase displays, retail environments, and trade show exhibits.

### GRAPHIC DESIGNER @ B&F FASTENER SUPPLY

*August 2010 - April 2011*

Collaborated with top management to create brochures & line cards for each branch of B&F Fastener Supply and developed presentation templates and 3D logo animations for client service use.

### INSIDE SALES @ B&F FASTENER SUPPLY

*May 2006 - August 2010*

Assisted the inside sales department with correcting errors by tracking late or missing purchase orders and completed inventory fulfillment for customers.

## EDUCATION

### BACHELOR OF SCIENCE (B.S.), MEDIA ARTS & ANIMATION

THE ART INSTITUTES INTERNATIONAL MINNESOTA

*September 2006 - April 2011*
